In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations ("36 CFR"), Chapter 1, Parts 1-7, authorized by Title 16 United States Code, Section 3, the following regulatory provisions are established for the proper management, protection, government and public use of those portions of Minidoka National Historic Site under the jurisdiction of the National Park Service. Unless otherwise stated, these regulatory provisions apply in addition to the requirements contained in 36 CFR, Chapter 1, Parts 1-7.

Written determinations, which explain the reasoning behind the Superintendent's use of discretionary authority, as required by Section 1.5 (c), appear in this document identified by italicized print.

I. 36 CFR §1.5 – VISITING HOURS, PUBLIC USE LIMITS, CLOSURES, AND AREA DESIGNATIONS FOR SPECIFIC USE OR ACTIVITIES

(a)(1) The following visiting hours and public use limits are established for all or for the listed portions of the park, and the following closures are established for all or a portion of the park to all public use or to a certain use or activity:

Visiting Hours: The park grounds are open every day of the year and there is no entrance gate. The Administration Office in Hagerman is generally open Monday through Friday, 8 a.m. to 4 p.m. as staffing permits. The site's visitor contact station is generally open 7 days a week from Memorial Day to Labor Day. The remainder of the year the visitor center is open five days per week, as staffing permits. Visitors are encouraged to phone (208) 837-4793 to confirm hours.

Closures:

The Superintendent may temporarily close park roadways, parking area, facilities, waters, and all or portions of the park when such actions are deemed necessary to ensure public safety, protection of resources, or the avoidance of visitor use conflicts.
